PEEWEES SPORTS ACADEMY

HOCKEY

Dear Grade R Parents

The partnership between Collegiate and Peewees Sports Academy has worked fantastically well for the past fourteen years. We have found that the earlier the girls learn the basic skills and laws of any sport, the better players they become. We have put together an excellent training program for Junior hockey players, which is in line with the International Hockey Federations guidelines for hockey coaching.

Peewees Hockey is a **hockey/general ball skills program, which runs during the school terms**. Lessons are held once a week in specific age groups, with all groups being no larger than 10. The aim of Peewees is to provide basic hockey skills and other ball sports training to beginners so that when they grow up, they have mastered the basics of the game**.** Some of the skills that we cover are **ball control, dribbling, stopping, hitting, tackling, passing, and shooting, running with the ball, positional play, rules of hockey plus sportsmanship and how to play as a team member.** At each lesson, every child is given **her own** hockey stick and ball (sticks and balls are supplied if you don't have your own) to work with for most of the lesson, resulting in rapid development and good eye/ball co-ordination.

Lesson Times: **Grade R's, Thursday:** **12h45 to 13h15** on the small ASTRO.

The first Peewees lesson for the 4th term will **start in the second week of the school term** and lessons run for 8 consecutive weeks. Interested parents can register their daughter via WhatsApp. I will confirm your daughter's acceptance shortly thereafter via WhatsApp. The cost for the whole term of Peewees hockey lessons is R800. Payment can be made via cash or direct transfers. For more information visit the **Peewees Sports Academy** page on Facebook or our website page, www.peewees.co.za.
