PEEWEES

RUGBY – HOCKEY – CRICKET – SOCCER

Dear St George's Pre-Prep parents.

Peewees has been operating very successfully for the past twenty-one years at many of the top primary and pre-primary schools in Port Elizabeth with great results, fun and learning experienced by all. These **Peewees cricket, rugby, hockey, and soccer programs run during the school term**. Lessons are held once a week in specific age groups, with all groups being no larger than 10. The aim of Peewees is to provide **basic skills training** to beginners so that when they grow up, they have mastered the basics of some of these great sports.

CRICKET: **Monday:** Time: 12h30 to 13h00.

Peewees Cricket is a **cricket/general ball skills program**. We will be doing **basic cricket fielding, batting, and concentrating heavily on catching and throwing a ball. Cricket rules, sportsmanship and etiquette** will also be taught plus mini cricket games will be played.

RUGBY: **Monday:** Time: 12h30 to 13h00.

Peewees Rugby is a **basic rugby skills** course which includes most of the rugby skills needed and some life skills. Some of the skills that will be covered are **ball handling, tackling, falling, passing, catching, kicking, running, sidestep, swerve, hand-off, laws of rugby and sportsmanship.** At each lesson, every boy is given his own rugby ball to work with for most of the lesson, resulting in rapid development and good eye/ball co-ordination.

HOCKEY: **Tuesday:** Time: 12h30 to 13h00.

Peewees Hockey is a **hockey/general ball skills program**. Some of the skills that we cover are, **ball control, dribbling, stopping, hitting, tackling, passing, shooting, running with the ball, plus sportsmanship and how to play as a team member.** At each lesson, every child is given **his/her own** hockey stick and ball (sticks and balls are supplied if you don't have your own) to work with for most of the lesson, resulting in rapid development and good eye/ball co-ordination.

SOCCER: **Tuesday:** Time: 12h30 to 13h00.

The key components that will be taught are**, passing, tackling, ball control, shooting and the rules of the game**. Communication and working as a team member will also be covered.
